

## Our Institute

Our Institute is located in the town centre

- A school on a human and convivial scale
- 7 spacious, light classrooms equipped with video and wifi

## Our team

- A contact person available to help throughout your stay
- 4 to 7 permanent or part-time teachers
- Professional staff at your service to accompany students on the activities

## Our teaching methods

- A friendly and professional atmosphere
- A briefing at the beginning of the stay and a guided tour of Saint Raphaël
- French teachers, all of whom use selective tuition methods, putting the emphasis on everyday language
- A programme of cultural and sporting activities, excursions accompanied by professionals to complement French learning

## Our students

- Students of all nationalities
- Juniors, groups, school groups, adults, families, teachers of French for further training, professionals requiring specialised French and companies.

## Accommodation

- In host family, ideal for total immersion in French culture
- All our families are situated in the boroughs of Saint-Raphael/Frejus.
- B&B
- Adults can choose self catering residences, apartments or hotels recommended by the Saint-Raphael or Fréjus tourist offices

The Saint Raphael French Institute will show you round Saint Raphael and the area through excursions, cultural or play activities
